STELLA MARIS TOWER RESIDENTIAL COMPLEX IN DUBAI

The new Stella Maris Tower in Dubai is a luxury residential complex as built by Scope Investment in the summer of 2022. The skyscraper has become the true architectural jewel of the UAE and the tallest building in the fashionable Dubai Marina district. The tower is surrounded by mid-rise buildings and is located near Bluewaters Island with the world's largest Ferris wheel. Due to the beneficial location of luxury residences, the owners can enjoy magnificent views of the city and the sea from the windows and balconies.

The residential complex has 52 floors and underground parking on six levels. On the first floor of the building are commercial premises. At the podium level is an open terrace with a swimming pool, landscaped gardens, and places with soft sun loungers for relaxation.

The territory of the residential complex includes:

- indoor and outdoor play areas for children.
- gyms for men and women.
- swimming pools for adults and children.
- a spa.
- a sauna.
- a jacuzzi.
- a lounge area.
- a billiard room.
- a conference room.
- a clubhouse.
- a supermarket.
- underground parking.
- 24-hour concierge service and security.
